

Where kids get a
jump on life!

Dates: September to mid-June
3 year olds
Tuesday/Thursday
9AM - 11:30 AM
4 year olds
Monday/Wednesday/Friday
9AM - 11:30 AM

The preschool will generally follow the regular public school calendar Tigard/Tualatin for the year. If there are differences, you will be informed.

Metro Gymnastics Center's Magic Years Preschool program offers a stimulating early learning environment that will foster creativity in your child. Offering a varied learning experience in a Christian based environment, your child will learn of God's love for him or her during their formative years, as well as their own self worth as an individual.

Magic Years curriculum is carefully selected and prepared to be developmentally appropriate for your preschool aged children. The purpose is to provide material and activities geared to the individual needs of your child. "Hands on" materials are a part of each of the activity areas in the classroom, encouraging children to explore, experiment and investigate.

In a loving, nurturing environment, your child will be given many opportunities for creative expression, socializations & oral communication with peers & adults. Small group & individualized instruction are also provided.

Our goals are to:

- ✓ develop a life-long love for learning in your child,
- ✓ help them reach their fullest potential,
- ✓ foster your child's self-image & self-confidence, and
- ✓ help him or her build a strong foundation for learning.

Magic Years is staffed by professionals with experience in education and certified in first aid and CPR.

**Call Metro Gymnastics today at 503-620-8939
for a current class schedule and to enroll
your child for the upcoming sessions!**

Metro Gymnastics is recognized as a Gold Medal Children's Activity Center by the prestigious Character Counts (www.charactercounts.org)!
