GIRLS RECREATIONAL GYMNASTICS AGES 6 YEARS & OLDER DIRECTOR: LYNN MCCAFFREY lynnm@metrogymnastics.com

Metro's Girls Recreational program provides training of the basic gymnastics skills—flexibility, balance, strength, coordination & agility. In the non-competitive atmosphere of the "REC" classes, kids develop attributes that are stepping stones for advancing through more complex gymnastics movements. These basic skills are important to learn for all other sports and activities!

(SEE LEVELS BELOW FOR LENGTH OF CLASSES)

BOYS RECREATIONAL GYMNASTICS AGES 6 YEARS & OLDER DIRECTOR: LUKE CARTMILL lukec@metrogymnastics.com

The Boys' Recreational program is structured to teach strength, flexibility, balance, and common gymnastics movements. Our classes build self-awareness as well as self-confidence. Our goal is to help boys find within themselves, through the process of mastering their bodies, positive characteristics that they can develop throughout their lives...and to have fun doing it!
